

# Danube River Cruise with AmaWaterways

**Please join the Cyclmasters on a terrific European river cruise on July 22-29, 2018. We will be cruising the Danube River on AmaWaterways, and bicycling every day if you would like to. There are many other activities if you are not a biker, and the little cities and towns we visit are awesome! We also have a pre package in Vienna for 2 nights and a post package for 3 nights in Prague available with this cruise. We have group space on hold with a fantastic discount of \$2000 off per couple (\$1000 p/p), but this special promotion ends on Jan 15, 2017. Please call or email me soon for more details.**
