

Saddlebrooke Cyclemasters

Bike Rides

We have rides available four days a week:

Inside Rides start from the SaddleBrooke Clubhouse (HOA1) parking lot adjacent to the basketball court (West side of the clubhouse entrance).

Outside Rides start from the Edwin Road Gate near the Desert View Clubhouse

Inside Rides – Monday, Wednesday, Friday & Saturday

Staying within the relatively sheltered SaddleBrooke Development, these Sensible Level rides are normally one hour in duration covering about 8-10 miles with relatively flat terrain and few hills. Afterward riders congregate at the Roadrunner Grill for coffee or breakfast. On Mondays, some of this group travel through the back roads of Catalina to Bashes for Starbucks and bakery items. Others stay inside of Saddlebrooke.

Outside Rides – Monday, Wednesday, & Friday

These rides go South normally to Oro Valley and sometimes far beyond for coffee and bagels. Normally a destination is agreed upon at departure time which will be perhaps 20 to 25 miles along public roads. These rides will usually cover some 40 to 50 miles, although some groups select closer destinations. Some groups go much farther.

Notifications for outside rides utilize the Daily Ride Email Blast and the Daily Ride Google Group. Both of these functions are in the Admin section of this website. Please contact our membership chairperson to get signed up to receive these emails.
