

Cyclmasters Hot News

Happy September Cyclmasters! I was just informed yesterday that we've had 67 days at 100 or over so far this year. Cooler weather is on the way! It won't be long and our winter members will be returning. It will be great to have you back.

September Start Time

September's start time is 7:30 AM unless informed differently from your ride coordinators. Also, the Saturday Breakfast Ride will join up at 8:30 AM at the Palo Verde Bistro, outside patio on the golf course side. Come join us!

Pennies for Progress Update

Our *Pennies for Progress Campaign* is progressing nicely. Through July we had accounted for 105,181 miles which equates to \$1,051.81 for charity (one cent per mile). Keep those miles coming by reporting your miles to Gerald Goode at goode3174@me.com.

Our club has just exceeded 2,000,000 accumulated miles!

Gerald Goode has been recording our club's reported miles since 2007. We just exceeded 2,000,000 reported miles! **Tom Erb put us over-the-top!** Thanks Tom!

Club Calendar Update

The club's activity calendar has just been updated to include a Club Social on February 5 at 5:30 PM in the HOA1 Activity Center. Please check out the calendar on saddlebrookecyclmasters.org so you don't miss out on any of our great club activities.

Responding to club rides

We are very blessed to have club members willing to lead group rides. As fall approaches hopefully we'll have even more club members willing to lead rides. I would ask that when responding to the ride leaders you just reply to the leader instead of replying to all club members. This will cut down on the number of unwanted emails going to all members. Thank you.

Website Update

Dave Corrigan, our Webmaster, has been working diligently on the saddlebrookecyclmasters.org website. You will see enhancements in the next few months. Ultimately, we would like to obsolete Yahoo Groups and use the official website for all communications. There's a lot more to come. Stay tuned!

That's it for now. Please travel and ride safe.
