

Cyclmasters Hot News

Hard to believe that September is winding down. We welcome the cooler weather and look forward to greeting all our fall/winter residents back to the beautiful Old Pueblo.

Start Time/Saturday Breakfast Ride

Our October start time is 8:00 AM unless informed otherwise by your ride leader. This month the Saturday Breakfast Riders will congregate after the ride at the Roadrunner Grill at the HOA1 clubhouse at 9:00 AM. If you choose not to ride please join us for breakfast and a great social time with your fellow members.

Club Activity Calendar

Please check out our club activity calendar on our saddlebrookecyclmasters.org website. We have a lot going on including socials, over-the-hill rides, and special events. Check it out and mark your calendars so you don't miss out on any of the fun. Our kickoff social event is the November 6 Social at 5:30 PM at the HOA1 Activity Center.

Saturday Theme Rides

One of the highlights of the year are our Saturday Theme Rides. Ted Belanger does a great job of putting these together. We have three of them scheduled. They are:

Saturday, December 9-Holiday Ride

Saturday, February 10-Valentine's Day Ride

Saturday, March 24-Easter Egg Ride (Jim & Julie Egolf)

Jim and Julie Egolf have agreed to host the Easter Egg Ride. **We need hosts for the December 9 and February 10 rides.** What this involves is that you agree to host approximately 60 cyclists at your home at the conclusion of the Saturday ride. You would supply a breakfast dish and accompaniments for the group. Typically you would solicit other club volunteers to help you put this on (club members are usually eager to help). The cost would be \$5 for each attendee which would be given to the host(s) to cover expenses. If you have an interest or any questions please don't hesitate to contact me. We've hosted a couple of times and it was great fun and isn't nearly as intimidating as it might sound. PLEASE CONSIDER THIS AND LET ME KNOW.

Recreation Fair

This year's Recreation Fair is going to be held Saturday, January 27 from 8-11:30 AM at the MountainView Country Club Ballroom. This is an annual event whereby clubs get the opportunity to feature their clubs and activities and solicit new members. Last year was a rousing success and we garnered many new members. We will be soliciting club members to volunteer to man the booth. Please consider helping out. I will be asking for volunteers later. In the meantime, please mark you calendars. Thank you.

That's it for this month. Safe travels to all of our returning members. Ride safe.
